Dear Judi Rosenau-Payseno,

Congratulations! Your business has been recertified as a Women's Business Enterprise (WBE) for the State program. Its certification anniversary date is December 18, 2017. The firm's certification is based on the following:

**Business Description:**

Specializes in the inspection and testing of all types of structures from single and multi-family residences, schools, hospitals, and high rises to transportation projects (streets, rail, and airports).

**Primary North American Industry Classification System (NAICS)  
Code:**

541380 - Laboratory testing (except medical, veterinary) services

**Other NAICS Codes:**

541350 - Building inspection services

The state program requires the firm be reviewed for recertification every three years from the certification date. OMWBE will send the necessary forms for you to complete approximately sixty (60) days prior to their due date. If the forms are timely submitted, the firm will remain certified pending completion of OMWBE's review. Failure to timely submit the forms may result in the firm being decertified.

The state program requires the firm to notify OMWBE in writing of any changes in its ownership, control, size or activities, and provide supporting documentation describing the change(s). This information must be submitted within thirty (30) days of the change(s).

If you have any questions or need assistance, please do not hesitate to contact this office at 360-664-9750.

Sincerely,  
Michael Preston
